

# IT / BI STUDENT

Romain Bulot

## Why me ?

Really curious in all of the new technologies fields, I define myself as a proactive worker : I love what I do and try to do the best I can to handle a project.

Liking daily pleasures and sports, I also enjoy going to the cinema and gliding. Success does really matter to me, both personally and professionally. Friends define me as a motivated and unifying person : I love working within a team.

TOEIC Score : 920/990
